Artist Statement

Alvaro Alvillar artist statement: Alvaro Alvillar's work draws you in with its bold, vibrant colors and gradients across the canvas. A whimsical atmosphere engulfs each painting in such a way that seems almost childlike. When examined more closely, the art is so incredibly technical that it is difficult to believe a self-taught artist created such detailed work from pure imagination. Alvillar's art has a deeper meaning than meets the eye, the visual fiesta conceals a more complex commentary on human behavior and our relationships with each other.

Declaración del artista

Declaración de artista de Alvaro Alvillar: La obra de Alvaro Alvillar te atrae con sus atrevidos y vibrantes colores y gradientes a través del lienzo. Una atmósfera caprichosa envuelve cada pintura de tal manera que parece casi infantil. Cuando se examina más de cerca, el arte es tan increíblemente técnico que es difícil de creer que un artista autodidacta haya

creado un trabajo tan detallado a partir de la pura imaginación. El arte de Alvillar tiene un significado más profundo de lo que parece, la fiesta visual oculta un comentario más complejo sobre el comportamiento humano y nuestras relaciones con los demás.
